

## ALL ALONE ON CHRISTMAS

The cold wind's blowin' and the streets are getting dark  
I'm writing you a letter and I don't know where to start  
The bells will be ringing St. John The Divine  
I get a little lonely every year around this time.

The music plays all night in Little Italy  
Lights are going up on all kinds of family trees  
People window shopping on 5th Avenue  
All I want for Christmas is you.

### CHORUS:

(I've gotta know) Nobody ought to be alone on Christmas  
(Where do lonely hearts go) Nobody ought to be alone on Christmas  
(I've gotta know) Nobody ought to be alone, all alone on Christmas

Things are different since you've been here last  
Childhood dreamin' is a thing of the past  
Maybe you can bring us some hope this year  
Visions of sugarplums have disappeared.

Do you remember sleigh ridin' in the snow  
Dancin' all night to "Baby, please don't go"  
Today's celebration is bittersweet  
As long as there's children in the street.

### CHORUS

I'm all grown up, but I'm the same you'll see  
I'm writing you this letter 'cause I still believe  
Dear Santa, I've been good this year  
Can't you stay a little while with me right here.

### CHORUS

## ALL I WANT FOR CHRISTMAS IS YOU

Take back the holly and mistletoe  
Silver bells on strings  
If I wrote a letter to Santa Claus  
I would ask for just one thing.

I don't need sleigh rides in the snow  
Don't want a Christmas that's blue  
Take back the tinsel, stockings and bows  
'cause all I want for Christmas is you.

I don't need expensive things  
They don't matter to me  
All that I want can't be found  
underneath the Christmas tree.

You are the angel atop my tree  
You are my dream come true  
Santa can't bring me what I need  
'cause all I want for Christmas is you.

I don't need expensive things  
They don't matter to me  
All that I want can't be found  
underneath the Christmas tree.

You are the angel atop my tree  
You are my dream come true  
Santa can't bring me what I need  
'cause all I want for Christmas is you.

## ALL I WANT FOR CHRISTMAS IS YOU

I don't want no Cadillac in my backyard  
I don't need no '56 Les Paul guitar  
I don't want no mansion house with an ocean view  
All I want - for Christmas is you

I don't want no Nikon I don't know how to use  
I don't need no Mediterranean cruise  
I don't want no VCR and a TV too (Background) Ahhhhhhhhhh  
All I want - for Christmas is you  
*I WANT CHRISTMAS IS YOU*

### CHORUS:

I'm talkin' 'bout you,  
I'm talkin' 'bout you, you you  
All I want - for Christmas is you  
*I WANT CHRISTMAS IS YOU*

I hope I don't receive no case of wine  
(Bop Bop Bop Bop Bop Bop)  
Chateau LaFite nineteen and fifty-nine  
(Bop Bop Bop Bop Bop Bop)  
Dom Perignon...maybe a glass or two (Ahhhhhhhhh)  
All I want - for Christmas is you  
*I WANT CHRISTMAS IS YOU*

### CHORUS

Ahhhhhhhhhhhhh  
Bop Bop Bop Bop Bop Bop  
Ahhhhhhhhhhhhh

I WON'T EVEN STAY AWAKE TO--HEAR THOSE MAGIC REINDEER CLICK

CHORUS: 'CAUSE I JUST WANT YOU HERE TONIGHT---HOLDING ON TO ME SO TIGHT  
WHAT MORE CAN I DO, BABY-- ALL I WANT FOR CHRISTMAS IS YOU...YOU...

BRIDGE:

ALL THE LIGHTS ARE SHINING SO BRIGHTLY EVERYWHERE  
AND THE SOUND OF CHILDREN'S LAUGHTER FILL THE AIR  
AND EVERYONE IS SINGING---I HEAR THOSE SLEIGH BELLS SWINGING  
SANTA WON'T YOU BRING ME THE ONE I REALLY NEED----  
WON'T YOU PLEASE BRING MY BABY TO ME

OHHH, I DON'T WANT A LOT FOR CHRISTMAS---THIS IS ALL I'M ASKING FOR  
I JUST WANT TO SEE MY BABY -- STANDING RIGHT OUTSIDE MY DOOR

CHORUS:

OH, I JUST WANT HIM FOR MY OWN -- MORE THAN YOU COULD EVER KNOW  
MAKE MY WISH COME TRUE---CAUSE, ALL I WANT FOR CHRISTMAS....IS YOU  
(OOOOOO-----BABY....)

IS YOU -----BABY.....  
IS YOU.....

**There's nothin' you can do that can't be done  
Nothin' you can sing that can't be sung  
Nothin' you can say  
But you can learn how to play the game – it's easy**

**Nothin' you can make that can't be made  
No one you can save that can't be saved  
Nothin' you can do  
But you can learn how to be you in time – it's easy**

Nowhere you can be

## **ANGEL**

**Spend all your time waiting for that second chance  
For the break that will make it OK  
There's always some reason to feel not good enough  
And it's hard at the end of the day  
I need some distraction or a beautiful release  
Memories seep from my veins  
Let me be empty and weightless and maybe  
I'll find some peace tonight**

**In the arms of the Angel fly away from here  
From this dark, cold hotel room, and the endlessness that you fear  
You are pulled from the wreckage of your silent reverie  
You're in the arms of the Angel; may you find some comfort here**

**So tired of the straight line, and everywhere you turn  
There's vultures and thieves at your back  
The storm keeps on twisting, you keep on building the lies  
That you make up for all that you lack  
It don't make no difference, escaping one last time  
It's easier to believe  
In this sweet madness, oh this glorious sadness  
That brings me to my knees**

**In the arms of the Angel fly away from here  
From this dark, cold hotel room, and the endlessness that you fear  
You are pulled from the wreckage of your silent reverie  
In the arms of the Angel; may you find some comfort here**

**You're in the arms of the Angel; may you find some comfort here**

## **ANGELS WE HAVE HEARD ON HIGH**

**Angels we have heard on high  
Sweetly singing o'er the plains  
And the mountains in reply  
Echoing their joyous strains**

**CHORUS: Gloria – In excelsis Deo!**

**Shepherds, why this jubilee?  
Why your joyous strains prolong?  
What the gladsome tidings be  
Which inspire your heavenly song?**

**CHORUS**

**CHORUS**

**Come to Bethlehem and see  
Christ whose birth the angels sing  
Come, adore on bended knee,  
Christ the Lord, the newborn King.**

## BABY, IT'S COLD OUTSIDE

I really can't stay  
I got to go way  
This evening's has been  
So very nice  
they're just like ice

But, baby, it's cold outside  
But, baby, it's cold outside  
Been hoping that you'd drop in  
I'll hold your hands,

---

My mother will start to worry  
And father will be pacing the floor  
So I'd better scurry  
Maybe just a half a drink more

Beautiful, what's your hurry  
Listen to the fireplace roar  
Beautiful, please don't hurry  
Put some records on while I pour

---

The neighbors might think  
Say, what's in this drink  
I wish I knew how  
To break the spell

Baby, it's bad out there  
No cabs to be had out there  
Your eyes are like starlight now

---

I'll take your hand,  
I ought to say no, no, no, sir  
At least I'm gonna say that I tried  
I really can't stay  
TOGETHER: Ahh, but it's cold outside

your hair looks swell  
Mind if I move in closer  
What's the sense of hurting my pride  
Baby don't hold out

---

I simply must go  
The answer is no  
This welcome has been  
So nice and warm

But, baby, it's cold outside  
But, baby, it's cold outside  
How lucky that you dropped in  
Look out the window at that storm

**My sister will be suspicious  
My brother will be there at the door  
My maiden aunt's mind is vicious  
Well maybe just a cigarette more**

---

**Gosh, your lips look delicious  
Waves upon a tropical shore  
Ooo, your lips are delicious  
Never such a blizzard before**

---

**I've got to get home  
See ya, say, lend me a comb  
You've really been grand  
But don't you see**

**But, baby, you'll freeze out there  
It's up to your knees out there  
I thrill when you touch my hand  
How can you do this thing to me**

---

**There's bound to be talk tomorrow  
At least there will plenty implied  
I really can't stay  
TOGETHER: Ahh but it's cold outside**

**Making my life long sorrow  
If you caught pneumonia and died  
Get over that old out**

## **Blue Christmas**

**I'll have a blue Christmas without you  
I'll be so blue thinking about you  
Decorations of red on a green Christmas tree  
Won't mean a thing (dear) if you're not here with me.**

**I'll have a blue Christmas that's certain  
And when that blue heartache starts hurtin'  
You'll be doing all right with your Christmas of white  
But I'll have a blue, blue Christmas.**

## THE CHRISTMAS SONG

Chestnuts roasting on an open fire  
Jack Frost nipping at your nose  
Yuletide carols being sung by a choir  
And folks dressed up like Eskimos

Everybody knows a turkey and some mistletoe  
Helps to make the season bright  
Tiny tots with their eyes all aglow  
Will find it hard to sleep tonight

### BRIDGE:

They know that Santa's on his way  
He's loaded lots of toys and goodies on his sleigh  
And every mother's child is gonna spy  
To see if reindeer really know how to fly

And so, I'm offering this simple phrase  
To kids from 1 to 92  
Although it's been said many times, many ways  
Merry Christmas to you

### SOLO

### BRIDGE

That shines clear and bright

Do you remember  
The 25<sup>th</sup> day of December?  
When the short jolly man in suspenders

To deliver  
To good girls and boys  
And he brought cheer  
To children along the way

But the spirit  
And the joy are still strong  
So we're singing  
And playing for you on this day

## THE ELVES ARE BACK IN TOWN

(Guitar Intro)

Guess who just got back today  
Them wild-eyed boys who have been away  
Haven't changed had much to say  
But, man, I still think them cats are great

They were asking if Santa was around  
How he was, where he could be found  
Told them he was living downtown  
Driving all the reindeer crazy

CHORUS:

The elves are back in town (elves are back in town) (4X)

You know that the reindeer that used to dance a lot  
Every night they'd be on the floor, shakin' what they got  
Man, when I tell you they were cool, they were red hot  
I mean they were steamin'

And that time over at Santa's place  
Well, this reindeer got up and kissed the Grinch's face  
Man, we just fell about the place  
If the reindeer don't want to know, forget it.

CHORUS

**FROSTY THE SNOWMAN**  
**(HoIEx version)**

Frosty the Snowman was a jolly happy soul  
With a corn cob pipe and a button nose  
And two eyes made out of coal

Frosty the Snowman was a fairy tale, they say  
He was made of snow, but the children know  
How he came to life one day

**BRIDGE:**

There must have been some magic in that old silk hat they found  
'Cause when they placed it on his head, he began to dance around

Frost the Snowman was alive as he could be  
And the children say he could laugh and play  
Just the same as you and me

Frosty the Snowman, Frosty the Snowman,  
Frosty the Snowman, Frosty the Snowman

**SOLO**

**BRIDGE:**

He led them down the streets of town right to the traffic cop  
And he only paused a moment when they heard him holler,  
"Stop! ... in the name of love...before you melt my heart"  
"Stop! ... in the name of love...before you melt my heart"

Frosty the snowman had to hurry on his way  
But he waved goodbye, saying, "Don't you cry  
I'll be back again some day"

Frosty the Snowman, Frosty the Snowman,  
Frosty the Snowman, Frosty the Snowman

That bless-ed Christmas morn**

When lo above the Earth  
Rang out the angel chorus  
That hailed a savior's birth**

**While shepherds kept their watching  
O'er silent flocks by night  
Behold throughout the heavens  
There shone a holy light**

They all bowed down and prayed  
Then they traveled on together  
To where the babe was laid**

# **Grandma Got Run Over By A Reindeer**

**CHORUS:** Grandma got run over by a reindeer  
Walking home from our house Christmas eve.  
You can say there's no such thing as Santa,  
But as for me and Grandpa, we believe.

She'd been drinkin' too much egg nog,  
And we'd begged her not to go.  
But she'd left her medication,  
So she stumbled out the door into the snow.

When they found her Christmas mornin',  
At the scene of the attack.  
There were hoof prints on her forehead,  
And incriminatin' Claus marks on her back.

## **CHORUS**

Now were all so proud of Grandpa,  
He's been takin' this so well.  
See him in there watchin' football,  
Drinkin' beer and playin' cards with cousin Belle.

It's not Christmas without Grandma.  
All the family's dressed in black.  
And we just can't help but wonder:  
Should we open up her gifts or send them back?

## **CHORUS**

Now the goose is on the table  
And the pudding made of pig.  
And a blue and silver candle,  
That would just have matched the hair in Grandma's wig.

I've warned all my friends and neighbors.  
Better watch out for yourselves."  
They should never give a license,  
To a man who drives a sleigh and plays with elves.

## **CHORUS**

## MR. GRINCH

You're a mean one, Mr. Grinch  
You really are a heel  
You're as cuddly as a cactus  
And as charming as an eel, Mr. Grinch

SPOKEN: You're a bad banana with a... greasy black peel

You're a monster, Mr. Grinch  
Your heart's an empty hole  
Your brain is full of spiders  
You've got garlic in your sole, Mr. Grinch

SPOKEN: Why I wouldn't touch you with a ... 39-and-a-half foot pole

You're a foul one, Mr. Grinch  
You have termites in your smile  
You have all the tender sweetness  
Of a seasick crocodile,

SPOKEN: Given the choice between the two of you, I'd take...  
the seasick crocodile.

## INSTRUMENTAL

SPOKEN: You're a 3-decker toadstool sandwich...with arsenic sauce

## INSTRUMENTAL

SPOKEN: The 3 words which best describes are...

STINK!  
STANK!  
STUNK!

## HAPPY CHRISTMAS

So this is Christmas  
And what have you done  
Another year over  
A new one just begun

And so this is Christmas  
I hope you have fun  
The near and the dear ones  
The old and the young

A very merry Christmas – and a happy new year  
Let's hope it's a good one – without any fear

And so this is Christmas	(War is over)
For weak and for strong	(If you want it)
The rich and the poor ones	(War is over)
The road is so long	(Now)

And so happy Christmas  
For black and for white  
For yellow and red ones  
Let's stop all the fight

A very merry Christmas – and a happy new year  
Let's hope it's a good one – without any fear

So this is Christmas  
And what have you done  
Another year over  
A new one just begun

And so this is Christmas	(War is over)

The old and the young	(Now)

## I BELIEVE I CAN FLY

I used to think that I could not go wrong  
And life was nothing but an awful song.  
But now I know the meaning of true love  
I'm leaning on the everlasting arms.

If I can see it, then I can do it  
If I just believe it, there's nothing to it.

\*\* I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away.

I believe I can soar  
I see me running through that open door  
I believe I can fly -- I believe I can fly  
I believe I can fly.

See I was on the verge of breaking down.  
Sometimes silence, can seems to loud  
There are miracles in life I must achieve  
But first I know it starts inside of me -- oh

If I can see it, then I can be it  
If I just believe it, there's nothing to it.

\*\* Repeat

Hey -- 'cause I believe in me.

If I can see it, then I can do it  
If I just believe it, there's nothing to it.

\*\* Repeat ...open door

I believe I can fly	(I can fly)	3x
If I just spread my wings	(I can fly)	1x

I believe I can fly	(I can fly)	3x
If I just spread my wings	(I can fly)	1x

I can fly	(I can fly)	3x

## **I SAW MOMMY KISSING SANTA CLAUS**

**I saw Mommy kissing Santa Claus  
underneath the mistletoe last night  
She didn't see me creep  
down the stairs to have a peep  
She thought that I was tucked up  
in my bedroom fast asleep.**

**Then I saw Mommy tickle Santa Claus  
underneath his beard so snowy white  
Oh, what a laugh it would have been  
if Daddy had only seen  
Mommy kissing Santa Claus last night.**

## **I'LL BE HOME FOR CHRISTMAS**

**I'll be home for Christmas  
You can count on me  
Please have snow  
And mistletoe  
And presents on the tree**

**Christmas eve will find me  
Where the love light gleams  
I'll be home for Christmas  
If only in my dreams**

## **I'M A BELIEVER**

**I thought love was only true in fairy tales  
Meant for someone else but not for me  
Ah, love was out to get to me  
That's the way it seemed  
Disappointment haunted all my dreams**

**CHORUS: Then I saw her face  
Now I'm a believer  
Not a trace  
Of doubt in my mind  
I'm in love  
I'm a believer, I couldn't leave her if I tried**

**I thought love was more or less a givin' thing  
Seemed the more I gave the less I got  
What's the use in tryin'  
All you get is pain  
When I needed sunshine I got rain**

**CHORUS**

**<INSTRUMENTAL BREAK>**

**Ah, love was out to get to me  
Now, that's the way it seemed  
Disappointment haunted all my dreams**

**CHORUS**

Now I'm a believer  
There's not a tra-a-a-ace  
Of doubt in my mind  
Well, I'm a believer  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah ah-uh-uh**

**Well, I'm a believer**

## **JESUS WAS BORN ON CHRISTMAS DAY**

**Remember Jesus was born on Christmas day  
To tell the world -- what the good book say  
And tho the sky was -- all dark and gray  
He sent a star out in the night to -- lead the way.**

**CHORUS:           He said bring peace on earth -- good will to all  
                      If you don't pull together then -- you will fall  
                      And they sang Hallelujah -- he was born on Christmas  
                      day.**

**And there were shepherds out in the night  
And when that star shone on them they shook with fright  
Till they saw wise men -- come from the East  
Coming to bow and pray to the Prince of Peace.**

**CHORUS:           He said bring peace on earth -- good will to all  
                      If you don't pull together then -- you will fall  
                      And they sang Hallelujah -- he was born on Christmas  
                      day.**

**BRIDGE:   Go tell your mothers, fathers, sisters, and brother  
              In every land they should -- love one another  
              Just give your neighbor -- a helping hand  
              And we will all live together in the Promised Land**

**\* Repeat verse and chorus --**

## **JINGLE BELL ROCK**

Jingle bell, jingle bell, jingle bell rock  
Jingle bell swing and jingle bell ring  
Snowin' and blowin' up bushels of fun  
Now the jingle hop has begun

Jingle bell, jingle bell, jingle bell rock  
Jingle bell chime in jingle bell time  
Dancin' and prancin' up Jingle Bell Square  
In the frosty air

### **BRIDGE:**

What a bright time, it's the right time  
To rock the night away  
Jingle bell time is a swell time  
To go ridin' in a one-horse sleigh

Giddy up jingle horse, pick up your feet  
Jingle around the clock  
Mix and mingle in a jinglin' beat  
That's the jingle bell rock

Jingle bells, jingle bells, jingle all the way  
Oh what fun it is to ride in a one-horse open sleigh  
Jingle bells, jingle bells, jingle all the way  
Oh what fun it is to ride in a one-horse open sleigh

We're dashing through the snow  
In a one-horse open sleigh  
O'er the fields we go  
A'laughing all the way  
The bells on bobtail ring  
They're making spirits bright  
What fun it is to ride and sing  
A sleighing song tonight

### **CHORUS**

A day or two ago  
I thought I'd take a ride  
And soon Miss Fannie Bright  
Was seated by my side  
The horse was lean and lank  
Misfortune seemed his lot  
He got into a drifted bank  
And then we got upsot

## LEAN ON ME

Sometimes in our lives we all have pain  
We all have sorrow  
But if we are wise  
We know that there's always tomorrow

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on

Please swallow your pride  
If I have things you need to borrow  
For no one can fill those of your needs  
That you don't let show

You just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'd understand  
We all need somebody to lean on

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on

You just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'd understand  
We all need somebody to lean on

If there is a load you have to bear  
That you can't carry  
I'm right up the road  
I'll share your load  
If you just call me

Call me (repeat and end)

## LET IT SNOW

### GUITAR/HORN INTRO

Oh, the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go

It doesn't show signs of stopping  
And I brought some corn for popping  
The lights are turned way down low  
*(Let it snow, let it snow, let it snow)*

BRIDGE: (When we finally kiss goodnight)  
*(Woo oh oh oh oh)*  
*(But if you'll really hold me tight)*

But as long as you love me so  
Let it snow, let it snow, let it snow

**LET THERE BE PEACE ON EARTH**  
***(Let it Begin With me)***

Let there be peace on earth  
and let it begin with me  
Let there be peace on earth  
The peace that was meant to be

With God as our Father  
Brothers all are we  
Let me walk with my brother  
In perfect harmony.

Let peace begin with me  
Let this be the moment now  
With ev'ry step I take  
Let this be my solemn vow

To take each moment and  
live each moment  
in peace eternally  
Let there be peace on earth  
and let it begin with me.

## LITTLE SAINT NICK

**INTRO:** Ooh, Merry Christmas, St. Nick  
Christmas comes this time each year

Ooh, ooh

Well, way up north where the air gets cold  
There's a tale about Christmas that you've all been told  
And a real famous cat all dressed up in red  
And he spends the whole year workin' out on his sled

**CHORUS:** It's the little Saint Nick (Little Saint Nick) – (2X)

Just a little bobsled we call it old Saint Nick  
But she'll walk a toboggan with a 4-speed stick  
She's candy apple red with a ski for a wheel  
And when Santa hits the gas, man, just watch her peel

**CHORUS:** It's the little Saint Nick (Little Saint Nick) – (2X)

**BRIDGE:** Run, Run Reindeer (4X)  
(You don't miss no one)

And haulin' through the snow at a frightening speed  
With a half a dozen deer with Rudy in the lead  
He's gotta wear his goggles 'cause the snow really flies  
And he's cruisin' every pad with a little surprise

It's the little Saint Nick (Little Saint Nick) – (2X)

**Good morn or evening friends

Could mean the world's disaster  
Could change your joy and laughter to tears and pain**

Hate's goin' round  
Breaking many hearts

Then you'll hear me when I say**

## MAMACITA, DONDE ESTA SANTA CLAUS

Mamacita, Donde esta Santa Claus  
Donde esta Santa Claus  
And the toys that he will leave  
Mamacita, Oh where is Santa Claus  
I look for him because ...  
it's Christmas Eve.

I know that I should be so sleepy  
But maybe he's not far away  
So out of the window I'm peeping  
Hoping to see him in his sleigh.

I hope he won't forget  
to crack his castanets  
And to his reindeer say  
Oh Pancho, Oh Vixen  
Oh Pedro, Oh Blitzen  
Ole'! Ole'! Ole'!

Mamacita, Done esta Santa Claus  
Oh, where is Santa Claus?  
It's Christmas Eve.

*(Solo) Bridge*

Oh, where is Santa Claus? -- It's Christmas Eve.

"All right Mamacita -- I go to sleep now".

## MERRY CHRISTMAS BABY

Merry Christmas, baby,  
Sure did treat me nice,  
Merry Christmas, baby,  
Sure did treat me nice,  
You bought me a diamond ring for Christmas,  
I feel like I'm in paradise.

I feel mighty fine, y'all,  
I got music on my radio,  
Feel mighty fine, girl,  
I got music on my radio,  
I feel like I'm going to kiss you,  
Standing beneath that mistletoe.

Santa came down the chimney,  
Half past three, y'all,  
Left all 'em good old presents,  
For my baby and for me,  
Merry Christmas, baby,  
You sure did treat me nice,  
You bought all the good old presents,  
I love you baby, for the rest of my life.

Merry Christmas girl,  
Merry, Merry Christmas, baby,  
Sure did treat me nice,  
Merry Christmas, baby,  
I said, you sure did treat me nice,  
You bought me all lovely things, yeah,  
I feel like I'm in paradise

I wish you a Merry Christmas, baby  
Happy New Year, a-huh,  
Merry Christmas, honey,  
Everything here is beautiful,  
I love you baby,  
For everything that you give me,  
I love you, honey ... [fade]

Hmmm, Merry Christmas, Happy Holidays  
Merry Christmas, Merry Christmas, Merry Christmas, Happy Holidays

We've been waiting  
all year for this night  
And the snow is glistening on the trees outside  
And all the stockings are hung by the fireside  
Waiting for Santa to arrive  
And all the love will show  
'Cause everybody knows

## MR. SANTA

*Bum – bum – bum – bum – bum – bum – bum - bum*  
*Bum – bum – bum – bum - bum*  
(repeat)

Mr. Santa – Bring me a dream  
I'm picturing a positive theme  
A world where love and laughter are flowing  
A place where smiles and eyes are ever glowing

Ooo Oh, Santa – Make it come true  
Ooo Some understanding and kindness would do  
I know it's late to be sending you this letter  
But if there's room bring on your sled – you'd better

Bring some – sunshine and joy – (Aah)  
To every lonely heart and sad girl and boy  
Fly upon your magic beam – (love machine)  
Mr. Santa bring me a dream

*Bum – bum – bum – bum – bum – bum – bum - bum*  
*Bum – bum – bum – bum - bum*

## MUSIC BREAK

(Ooo) – Mr. Santa – Bring me a dream  
(Ooo) – I'm in the market for something serene  
Peace on the earth, and true compassion  
Somehow they seem to have gone out of fashion

Santa – I'll wait eagerly – (Aah)  
Just like a child does on Christmas Eve  
For these things I do believe

Mr. Santa bring me  
Please, please bring me  
Santa bring me a dream

*Bum – bum – bum – bum – bum – bum – bum - bum*  
*Bum – bum – bum – bum - bum*

## MY CHRISTMAS TREE

Christmastime means laughter  
To buckets in the snow ,  
Caroling together  
With faces of Love

Stockings on the mantel,  
A wreath on the door  
And my Merriest Christmas  
Means just one thing more

### CHORUS:

Christmas Tree, My Christmas Tree,  
Lit up like a star;  
When I see my Christmas tree,  
Can loved ones be far?  
Christmas Tree, I'm certain  
Wherever I roam ,  
The glow from your branches  
Will light my way home.

Ornaments collected  
From every Christmas night,  
Memories reflected  
Through tinsel and light;

Gratefully we gather  
As ever before  
To rejoice in the season  
And sing out once more.

### CHORUS

It's Christmas!  
It's Christmas  
And I'm going home!

## MY GROWNUP CHRISTMAS LIST

Do you remember me  
I sat upon your knee  
I wrote to you With childhood fantasies

Well, I'm all grown up now  
And still need help somehow  
I'm not a child But my heart still can dream

So here's my lifelong wish  
My grown up Christmas list  
Not for myself But for a world in need

### CHORUS:

No more lives torn apart  
That wars would never start  
And time would heal all hearts  
And everyone would have a friend  
And right would always win  
And love would never end  
This is my grown up Christmas list

As children we believed  
The grandest sight to see  
Was something lovely Wrapped beneath our tree

Well heaven surely knows  
That packages and bows Can never heal  
A hurting human soul

### CHORUS

### BRIDGE:

What is this illusion called the innocence of youth  
Maybe only in our blind belief can we ever find the truth

### CHORUS:

This is my grown up Christmas  
This is my grown up Christmas list

## MY LITTLE DREIDL

I have a little dreidl, I made it out of clay  
And when it's dry and ready, then dreidl I shall play

Oh dreidl, dreidl, dreidl, I made it out of clay  
And when it's dry and ready, then dreidl I shall play

It has a lovely body with legs so short and thin  
And when it is all tired it drops and then I win.

Oh dreidl, dreidl, dreidl, with legs so short and thin  
Oh dreidl, dreidl, dreidl, it drops and then I win.

My dreidl's always playful — it loves to dance and spin!  
A happy game of dreidl — come play now let's begin.

Oh dreidl, dreidl, dreidl, it loves to dance and spin!  
Oh dreidl, dreidl, dreidl, come play now let's begin.

## New Star Shining

They didn't own a house  
No crib, no toys were waiting  
Still they had their love  
for the child they were anticipating.

He was born one winter night  
on a road between two towns  
They wrapped him up so warm and tight  
and said it looks like Heaven's come down.

### CHORUS:

There was a new star shining  
In the sky up above  
By His light met with her night  
They found peace and perfect love  
If we want to find it  
I know we always will  
Cause that new star is shining  
for us still.

They worried how to feed him  
Simple trade was all they knew  
It was hard enough to make ends meet  
When they were only two.

But the cold, dark and hunger  
couldn't take away their joy  
And they knew that they  
would find a way  
For that precious baby boy.

### CHORUS

## **NO MIRRORS IN MY NANA'S HOUSE**

**There were no mirrors in my Nana's house,  
no mirrors in my Nana's house.  
There were no mirrors in my Nana's house,  
no mirrors in my Nana's house.  
And the beauty that I saw in everything  
was in her eyes (like the rising of the sun).**

**I never knew that my skin was too black.  
I never knew that my nose was too flat.  
I never knew that my clothes didn't fit.  
I never knew there were things that I'd missed,  
cause the beauty in everything  
was in her eyes (like the rising of the sun)...was in her eyes.**

**There were no mirrors in my Nana's house,  
no mirrors in my Nana's house.  
And the beauty that I saw in everything  
was in her eyes (like the rising of the sun).**

**I was intrigued by the cracks in the walls.  
I tasted, with joy, the dust that would fall.  
The noise in the hallway was music to me.  
The trash and the rubbish just cushioned my feet.  
And the beauty in everything  
was in her eyes (like the rising of the sun)...was in her eyes.**

**There were no mirrors in my Nana's house,  
no mirrors in my Nana's house.  
And the beauty that I saw in everything  
was in her eyes (like the rising of the sun).**

**The world outside was a magical place.  
I only knew love. I never knew hate,  
and the beauty in everything  
was in her eyes (like the rising of the sun)...was in her eyes.**

**There were no mirrors in my Nana's house,  
no mirrors in my Nana's house.  
There were no mirrors in my Nana's house,  
no mirrors in my Nana's house.  
And the beauty that I saw in everything  
was in her eyes (like the rising of the sun).  
"Chil", look deep into my eyes." (3 X)**

**NOT READY FOR CHRISTMAS**  
**(Rag Doll Blues)**

I'm not ready for Christmas  
Please don't light up the tree  
Winter's chill, holds no thrill  
And no warm glow for me

Don't start singin' those carols  
I'm just singin' the Blues  
What's all the rush, the sudden gush  
Oh, please give Santa the news

Tell him, "Stop all the elves from their tollin'  
Give old Rudolph a rest"  
I need some time to myself, up on my lonely shelf  
Don't put this rag doll to the test

**BREAK:** I have no light that burning bright  
My pilot has gone out  
Can't deck the hall, I can't recall  
What this is all about

(Oh, cause) I'm not ready for this mess  
Expectations and cheer  
I'm in need of a mend (OR-I'm sad and empty again)  
It's awful hard to send  
Best wishes for the New Year

I'm not ready for Christmas  
I need a warm summer nigh  
So, cancel the show, and let Santa know, his timing can't be right  
Maybe next year it might.

## O HOLY NIGHT

O holy night, the stars are brightly shining  
It is the night of our dear Savior's birth  
Long lay the world in sin and error pining  
Till He appeared and the soul felt its worth

A thrill of hope the weary soul rejoices  
For yonder breaks a new and glorious morn

Fall on your knees – Oh hear, the angel voices  
Oh, night divine – Oh, night, when Christ was born  
Oh, night, divine – Oh, night, oh night divine

Led by the light – of faith serenely beaming  
With glowing hearts by His cradle we stand  
So led by light of a star sweetly gleaming  
Here came the wise men from Orient land

The King of Kings lay thus in lowly mangers  
In all our trials – born to be our friend

He knows our needs – Our weakness is no stranger  
Behold your King – before Him lowly bend  
Behold your King – before Him lowly bend

Truly he taught us to love one another  
His law is love, and his gospel is peace  
Chains shall He break for the slave is our brother  
And in His name all oppression shall cease

Sweet hymns of joy in grateful chorus raise we  
Let all within us praise His holy name

Christ is the Lord – Oh, praise His name forever  
His power and glory – every more proclaim  
His power and glory – every more proclaim

## O LITTLE TOWN OF BETHLEHEM

O little town of Bethlehem, how still we see thee lie!  
Above thy deep and dreamless sleep the silent stars go by.  
Yet in thy dark streets shineth the everlasting Light;  
The hopes and fears of all the years are met in thee tonight.

For Christ is born of Mary, and gathered all above,  
While mortals sleep, the angels keep their watch of wondering love.  
O morning stars together, proclaim the holy birth,  
And praises sing to God the King, and peace to men on earth!

How silently, how silently, the wondrous Gift is giv'n;  
So God imparts to human hearts the blessings of His Heav'n.  
No ear may hear His coming, but in this world of sin,  
Where meek souls will receive Him still, the dear Christ enters in.

Where children pure and happy pray to the blessèd Child,  
Where misery cries out to Thee, Son of the mother mild;  
Where charity stands watching and faith holds wide the door,  
The dark night wakes, the glory breaks, and Christmas comes once more.

-----

[O holy Child of Bethlehem, descend to us, we pray;  
Cast out our sin, and enter in, be born in us today.  
We hear the Christmas angels the great glad tidings tell;  
O come to us, abide with us, our Lord Emmanuel!]

## OH HAPPY DAY

## ONE LITTLE CHRISTMAS TREE

One little Christmas tree was standing alone  
Waiting for someone to come by  
One little Christmas tree that never had grown  
Cried as he looked up to the sky

Oh please Mr Father tree, the tallest of all  
I'm so afraid and alone  
Could one little Christmas tree so tiny and small  
Light up someone's home 'cause

One little Christmas tree can light up a home  
So one little child can find a toy  
One little Christmas tree can light up a home  
So one little heart can find some joy

One little angel who was riding a star  
Cried as she looked down at the tree  
Oh please Mr Father tree wherever you are  
May I give him the star you gave to me

Then in the heavens came a voice from afar  
A voice that was heard throughout the world  
Go down little angel girl and give him your star  
Tonight he'll light the world 'cause

One little Christmas tree can light up the world  
So those who are lost may find their way  
One little Christmas tree can light up the world  
So all men may see you on Christmas Day

## **PLEASE COME HOME FOR CHRISTMAS**

Bells will be ringin' this sad, sad news  
Oh, what a Christmas to have the blues  
My baby's gone, I have no friends  
to wish me greetings once again.

Choirs will be singin' 'silent night'  
Christmas carols by candlelight  
Please come home for Christmas  
If not by Christmas ... by New Year's night.

Friends and relations, sing salutations  
Sure as the stars shine above  
But this is Christmas, yes, Christmas my dear  
It's the time of year to be with the one you love.

So won't you tell me you'll never roam  
Christmas and New Year will find you home  
There'll be no more sorrow, no grief and pain  
And I'll be happy at Christmas once again.

*Guitar solo*

... There'll be no more sorrow, no grief and pain  
and I'll be happy at Christmas once again.

Put a little love in your heart  
I hope when you decide - Kindness will be your guide  
Put a little love in your heart

### **CHORUS #2**

(People, now) put a little love in your heart - Each and every day  
Put a little love in your heart - There's no other way  
Put a little love in your heart - It's up to you  
Put a little love in your heart - C'mon and

**FADE**

Put a little love in your heart

Let the Christmas spirit ring  
Later we'll have some pumpkin pie  
And we'll do some caroling

### **BRIDGE:**

You will get a sentimental feeling when you hear  
Voices singing, "Let's be jolly,

## RUDOLPH THE RED-NOSED REINDEER

Rudolph the red-nosed reindeer  
Had a very shiny nose  
And if you ever saw it  
You would even say it glows  
All of the other reindeer  
Used to laugh and call him names  
They never let poor Rudolph  
Join in any reindeer games

BRIDGE: Then one foggy Christmas Eve  
Santa came to say  
Rudolph with your nose so bright  
Won't you guide my sleigh tonight

Then how the reindeer loved him  
And they shouted out with glee  
Rudolph the red-nosed reindeer  
You'll go down in history

What did you bring me, I just gotta see

Wanna tell you that I love you, tell you I've been good  
And I try (and I try)  
But every time I see your face  
I get all choked up inside

(breakdown)

When you start to leave, every Christmas Eve  
(I feel it in my heart, it tears me all apart)  
No matter how I try, my joy I just can't hide, cause

Santa Claus, Santa Claus (Santa Claus, Santa Claus)  
You know I wait up for you (Wait up for you)  
(I can't help myself)  
But I fall asleep like I always do

Santa Claus, Santa Claus (Santa Claus, Santa Claus)  
Do anything you ask me to (Ask me to)  
(I can't help myself)  
I love you and nobody else

Santa Claus, Santa Claus (Santa Claus, Santa Claus)  
You know I wanna work for you (Work for you)  
(I can't help myself)  
I wanna be one of Santa's elves!

## SANTA ON THE ROOFTOP

### INTRO:

As I was walking home on Christmas Eve  
The whole neighborhood was fast asleep  
The snow was fallin', comin' down hard

The place looked like a picture postcard  
And when my house came into view  
I noticed something up on the roof  
You can imagine my surprise  
When I looked up and realized

CHORUS: It was Santa on the rooftop  
And our house was Santa's first roof stop  
The reindeer were quiet as a mouse, didn't make a sound  
As Santa got ready to make his way down

He had one foot down the chimney  
Destination our brand new Christmas tree  
I knew everyone was gonna be shocked  
When I told them I saw  
Santa on the rooftop.

I tried to get home right away  
But I was just a little too late  
The gifts were laid out under the tree  
With no sign of Mr. S.C.

I ran over to the fireplace  
But there was nothin' but an empty space  
Got everybody up out of bed  
Their eyes opened wide when I said

CHORUS  
SOLO

BRIDGE: Some people think the man's a myth  
Had my doubts, I admit  
Now how can I criticize  
When somebody says with that look in their eyes

CHORUS  
OUTRO

## SHOWER THE PEOPLE

You can play the game and you can act out the part  
Though you know it wasn't written for you  
But tell me, how can you stand there with your broken heart  
Ashamed of playing the fool  
One thing can lead to another; it doesn't take any sacrifice  
Oh, father and mother, sister and brother,  
If it feels nice, don't think twice

CHORUS: Just shower the people you love with love  
Show them the way that you feel  
Things are gonna work out fine if you only will

Shower the people you love with love  
Show them the way that you feel  
Things are gonna be much better if you only will.

You can run but you cannot hide;  
This is widely known  
And what you plan to do with your foolish pride  
When you're all by yourself alone  
Once you tell somebody the way that you feel  
You can feel it beginning to ease  
I think it's true what they say about the squeaky wheel  
Always getting the grease.

### CHORUS

(Background): Shower the people you love with love; show them  
the way that you feel

### Ad lib:

They say in every life, - A little the rain will fall  
Just like pouring rain – pouring down  
Let it rain  
Let it rain down love  
Love, love love, sun shower  
Make it, make it rain down love  
Love, love, love sun shower  
Everybody, everybody – love somebody  
You know you gotta love someone  
Love, love, love  
Things will be just fine if we only will

## **SILENT NIGHT**

**Silent night Holy night  
All is calm all is bright  
'Round yon virgin Mother and Child  
Holy infant so tender and mild  
Sleep in heavenly peace  
Sleep in heavenly peace**

**Silent night, holy night,  
Shepherds quake at the sight.  
Glories stream from heaven afar,  
Heav'nly hosts sing Alleluia;  
Christ the Savior is born;  
Christ the Savior is born.**

**Silent night, holy night,  
Son of God, love's pure light.  
Radiant beams from Thy holy face,  
With the dawn of redeeming grace,  
Jesus, Lord, at Thy birth;  
Jesus, Lord, at Thy birth**

## **SILVER BELLS**

**City sidewalks, busy sidewalks.  
Dressed in holiday style  
In the air there's a feeling of Christmas**

**Children laughing, People passing  
Meeting smile after smile  
And on every street corner you'll hear**

**CHORUS: Silver bells, silver bells  
It's Christmas time in the city  
Ring-a-ling, hear them sing  
Soon it will be Christmas day**

**Strings of street lights, Even stop lights  
Blink a bright red and green  
As the shoppers rush home with their treasures**

**Hear the snow crunch, see the kids bunch  
This is Santa's big scene  
And above all this bustle you'll hear**

**CHORUS**

**Soon it will be Christmas day  
Soon it will be Christmas day**

## SLEIGH RIDE

Just hear those sleigh bells jingling, ring-ting-tingling, too  
Come on, it's lovely weather for a sleigh ride together with you  
Outside the snow is falling and friends are calling, "yoo hoo"  
Come on, it's lovely weather for a sleigh ride together with you

### **BRIDGE:**

Giddy yap, giddy yap, giddy yap, let's go  
Let's look at the snow  
We're riding in a wonderland of snow  
Giddy yap, giddy yap, giddy yap, it's grand  
Just holding your hand  
We're gliding along with a song of a wintry fairy land

Our cheeks are nice and rosy and comfy cozy are we  
We're sniggled up together like two birds of a feather would be  
Let's take the road before us and sing a chorus or two  
Come on, it's lovely weather for a sleigh ride together with you

### **INTERLUDE:**

There's a birthday party at the home of Farmer Gray  
It'll be the perfect ending of a perfect day  
We'll be singing the songs we love to sing without a single stop  
At the fireplace while we watch chestnuts pop

POP POP POP! There's a happy feeling nothing in the world can buy  
When they pass around the coffee and the pumpkin pie  
It'll nearly be like a picture print by Currier and Ives  
These wonderful things are the things we remember all through our lives

(Repeat from top through end of second verse)

## **SNOWMAN**

Comin' to you on a snowy road  
Good good lovin', I got a plow load  
And when you roll me, you got somethin'  
So don't worry, 'cause winter's comin

CHORUS: I'm a snow man I'm a snow man  
I'm a snow man I'm a snow man  
And that ain't all

Got the way, I got the cold way  
And I'm getting' bigger, each and every day  
I was educated, in a winter's storm  
And I'm tons 'a fun, if it don't get warm

CHORUS

I was brought up, at the North Pole  
With a carrot nose, and two eyes of coal  
So don't worry, and don't you fret  
Just make sure, I don't get wet

CHORUS

BRIDGE: Grab some snow, and come on in  
It's getting' cold, it's time to build a girlfriend  
Yeah, yeah, yeah, YEAH!

I'm talkin' about a snow man...

## SOMEDAY AT CHRISTMAS

Someday at Christmas -- Men won't be boys  
Playing with bombs like kids play with toys  
One warm December our hearts will see  
A world where men are free

Someday at Christmas -- There'll be no wars  
When we have learned what Christmas is for  
When we have found what life's really worth  
There'll be peace on earth

Someday all our dreams will come to be  
Someday in a world where men are free  
Maybe not in time for you and me  
But someday at Christmas time

Someday at Christmas -- We'll see a land  
With no hungry children -- No empty hand  
One happy morning  
People will share  
A world where people care  
Ohh...

Someday at Christmas there'll be no tears  
Where all men are equal -- And no man has fears  
One shiny moment  
For our world today

Someday all our dreams will come to be  
Someday in a world where men are free  
Maybe not in time for you and me  
But someday at Christmas time

Someday at Christmas time -- Man will not fear  
Hate will be gone and love prevails  
Someday a new world that we can start with hope in every ear

(all)

Someday all our dreams will come to be  
Someday in a world where men are free  
Maybe not in time for you and me  
But someday at Christmas time

## SOMEWHERE IN MY MEMORY

Candles in the window  
Shadows paint the ceiling  
Gazing at the fire glow  
Feeling that gingerbread feeling.

Precious moments – Special people  
Happy faces – I can see  
that somewhere in my memory (*harmony*)  
Christmas toys all around me.

Living in my memory  
All of the music  
All of the magic  
All of the family home here with me.

Memories of my childhood  
When I was 5, 6 or 7  
I would wake when dawn would (*unison*)  
Living in Christmas Day Heaven

Precious moments – Special people  
Happy faces – I can see  
that somewhere in my memory (*harmony*)  
Christmas toys all around me.

Deep within my memories  
All of the music  
All of the magic  
All of the family home here with me.

## TRUE COLORS

**VERSE #1:** You with the sad eyes  
Don't be discouraged  
Oh I realize  
It's hard to take courage  
In a world full of people  
You can lose sight of it all  
And the darkness inside you  
Can make you feel so small

**CHORUS:** But I see your true colors  
Shining through  
I see your true colors  
That's why I love you  
So don't be afraid to let them show  
Your true colors  
True colors are beautiful,  
Like a rainbow

**VERSE #2:** Show me a smile then,  
Don't be unhappy, can't remember  
When I last saw you laughing  
If this world makes you crazy  
And you've taken all you can bear  
You call me up  
Because you know I'll be there

**CHORUS:**

Just let me state for the record  
We're giving love in a family dose

Here's what we call our golden rule  
Have faith in you and the things you do  
You won't go wrong  
This is our family Jewel

**(REPEAT CHORUS TO FADE)**

## **WE NEED A LITTLE CHRISTMAS**

Haul out the holly  
Put up the tree before my spirit falls again  
Fill up the stocking  
I may be rushing things, but deck the halls again, now

### **CHORUS:**

For we need a little Christmas, right this very minute  
Candles on the window, carols at the spinet  
Yes, we need a little Christmas, right this very minute  
It hasn't snowed a single flurry, but Santa, dear, we're in a hurry

So climb down the chimney  
Turn on the brightest string of lights I've ever seen  
Slice up the fruitcake  
It's time we hung some tinsel on that evergreen bough

### **CHORUS:**

For I've grown a little leaner, grown a little colder  
For I've grown a little sadder, grown a little older  
And I need a little angel sitting on my shoulder  
Need a little Christmas now

Haul out the holly  
Put up the tree before my spirit falls again  
Fill up the stocking  
I may be rushing things, but deck the halls again, now

### **CHORUS:**

For we need a little music, need a little laughter  
Need a little singing, ringing through the rafter  
And we need a little snappy, happy ever after  
Need a little Christmas now

## **WE WISH YOU A MERRY CHRISTMAS**

**We wish you a merry Christmas  
We wish you a merry Christmas

We wish you a merry Christmas  
We wish you a merry Christmas  
and a Happy New Year**

Oh yeah – Candles burning low – Lots of mistletoe  
Lots of snow and ice – Everywhere we go  
Choir singing carols – Right outside my door

That's what Christmas means to me my love  
(That's what Christmas means to me my love)

The little card you'll give me will touch my heart for sure (ooo)

### CHORUS

Oh yeah – Ah ah – I feel like running wild (Running wild)  
As anxious as a little child (doop doop)  
Greet you 'neath the mistletoe (doop doop)  
Kiss you once and then some more (doop doop)  
And wish you a Merry Christmas baby  
(And wish you a Merry Christmas baby)  
And such happiness in the coming year – Oh baby

Let's deck the halls with holly (ooo)  
Sing sweet Silent Night (ooo)  
Fill the tree with angel hair – Pretty pretty lights (ooo)  
Go to sleep and wake up – Just before daylight (ooo)

Instrumental (doop doop 2<sup>nd</sup> half of instrumental)

Candles burning low  
Lots of mistletoe  
Lots of snow and ice  
Everywhere we go

### CHORUS

Oh yeah – One more time now (doop doop)

## **WHAT THE WORLD NEEDS NOW**

**CHORUS: What the world needs now is love, sweet love  
It's the only thing that there's just too little of  
What the world needs now is love, sweet love,  
No not just for some but for everyone.**

**Lord, we don't need another mountain,  
There are mountains and hillsides enough to climb  
There are oceans and rivers enough to cross,  
Enough to last till the end of time.**

**CHORUS**

**Lord, we don't need another meadow  
There are cornfields and wheat fields enough to grow  
There are sunbeams and moonbeams enough to shine  
Oh listen, lord, if you want to know.**

**CHORUS**

**No, not just for some, oh, but just for everyone.**

## **WHITE CHRISTMAS**

**I'm dreaming of a white Christmas  
Just like the ones I used to know  
Where the tree tops glisten  
And children listen  
To hear  
Sleigh bells in the snow**

**I'm dreaming of a white Christmas  
With every Christmas card I write  
May your days be merry and bright  
And may all your Christmases be white**

## WINTER WONDERLAND

Sleigh bells ring, are you listenin'  
In the lane snow is glistenin'  
A beautiful sight, we're happy tonight  
Walking in a winter wonderland

Gone away is the bluebird  
Here to stay is the new bird  
He sings a love song, as we go along  
Walking in a winter wonderland

In the meadow we can build a snowman  
And pretend that he is Parson Brown  
He'll say are you married, we'll say no man  
But you can do the job when you're in town.

Later on we'll conspire  
As we dream by the fire  
To face unafraid, the plans that we made  
Walking in a winter wonderland.

*(Instrumental)*

In the meadow we can build a snowman  
And pretend that he's a circus clown  
We'll have lots of fun with Mister Snowman  
until the other kiddies knock him down.

When it snows, ain't it thrillin'  
Though your nose gets a chillin'  
We'll frolic and play the Eskimo way  
Walking in a winter wonderland.

## ZOOT SUIT SANTA

Who's that walkin' up on the roof  
Draggin of a sled and a dozen hoofs  
Jiggling belly and a bag in hand  
Who's your Santa? Yes, I am

Big band come to pay  
Holliday Express is here  
Get your dancing shoes on  
We'll be partying the rest of the year

Zoot suit Santa  
Bringing 'round some holiday cheer  
Zoot suit Santa  
I can't wait till I see you this year

A whipped up jitterbuggin' brown eyed man  
40 elves playing in a back up band  
It's what we do, you understand  
We're a rock 'n roll circus doing one night stands

They line up on the dance floor  
They come from far and near  
All the children know  
That he just comes once a year  
Because he's zoot suit Santa
