

HANUKKAH OH HANNUKAH

**Oh Hanukkah, Oh, Hanukkah
Come light the menorah
Let's have a party
We'll all dance the hora
Gather round the table, we'll give you a treat
Sevimon to play with latkes to eat**

**And while we are playing
The candles are burning low**

**One for each night, they shed a sweet light
To remind us of days long ago**

**One for each night, they shed a sweet light
To remind us of days long ago**

REPEAT ALL ABOVE

SOLO (verse)

**And while we are playing
The candles are burning low**

To remind us of days long ago**
