

ALL ALONE ON CHRISTMAS

The cold wind's blowin' and the streets are getting dark
I'm writing you a letter and I don't know where to start
Bells will be ringing St. John The Divine
I get a little lonely every year around this time.

(oo-----)

Music plays all night in Little Italy (oo oo oo-----)
Lights are going up on all kinds of family trees (oo oo oo-----)
People window shopping on 5th Avenue (oo oo oo-----)
All I want for Christmas is you. (Aah-----Aah-----)

CHORUS:

(I've gotta know)	Nobody ought to be alone on Christmas (Where
do lonely hearts go)	Nobody ought to be alone on Christmas
(I've gotta know)	Nobody ought to be alone, all alone on Christmas

Things are different since you've been here last
Childhood dreamin' is a thing of the past
Maybe you can bring us some hope this year
Visions of sugarplums have disappeared.

(oo-----)

Do you remember sleigh ridin' in the snow (oo oo oo-----)
Dancin' all night to "Baby, please don't go" (oo oo oo-----)
Today's celebration is bittersweet (oo oo oo-----)
As long as there's children in the street. (Aah-----Aah-----)

CHORUS

BRIDGE: I'm all grown up, but I'm the same you'll see (oo--)
I'm writing you this letter 'cause I still believe (oo--)
Dear Santa, I've been good this year (oo--)
Won't you stay a little while with me right here. (Ah..ah)

CHORUS

SOLO (oos on 2nd half...end w/ah---)

CHORUS (A capella)

CHORUS

Nobody ought to be alone, all alone on Christmas
Nobody ought to be alone, all alone on Christmas
