

WE NEED A LITTLE CHRISTMAS

LEAD Haul out the holly
Put up the tree before my spirit falls again
Fill up the stocking,
I may be rushing things, but deck the halls again now

ALL For we need a little Christmas – right this very minute
Candles in the window- carols at the spinet
Yes, we need a little Christmas – right this very minute.
It hasn't snowed a single flurry, but Santa, dear, we're in a hurry

LEAD So climb down the chimney
Put up the brightest string of lights I've ever seen
Slice up the fruitcake
It's time we hung some tinsel on that evergreen bow

ALL For I've grown a little leaner, grown a little older
Grown a little sadder grown a little colder
And i need a little angel – sitting on my shoulder
We need a little Christmas now

SOLO (horns)

ALL

For we need a little music – need a little laughter
Need a little sing – ringing through the rafter
And we need a little snappy – happy ever after
Need a little Christmas now.

We need a little christmas now
We need a little Christmas now...
